Acknowledgment

The theme of this book is College Activity. The pictures to represent this theme were taken of students on West Georgia Campus.

The Foreword

The foremost thought of the editors publishing this book was to portray typical life on West Georgia Campus during the past year and to endeavor to present an interesting pictorial record of it.

MISS SARAH WARD

Dedication

The 1938 CHIEFTAIN is dedicated to Miss Ward, who has been the Dean of Women since the beginning of the college. The strength of her personality mingles with her keen interest and perseverance. Her kind, sympathetic and helpful attitude will always be remembered.

DEBATING CLUB

The Debating Club has for its endeavor the promotion of all forensic activities. This past year the club has successfully attained its goal; culminating in three important phases. First, the inter-mural debate tournament; second, some fourteen inter-Collegiate debates presented on this and other college campuses; third, the national Phi Rho Pi Forensic society was formed by the inter-Collegiate debaters.

Taking seriously its responsibility as the only college science group in Carroll County, Mu Zeta Alpha has endeavored to promote better medical care in the county by conveying information on the Ellis Health Law through speeches and articles to the rural communities and by trying to secure a voting majority for the law. Upwards of fifteen programs have been presented in the county, usually before the Parent-Teachers Association of the community. Besides this outstanding work, interesting monthly programs have been presented before the club, and a monthly bulletin has been issued.

ATHLETICS

COACH TAYLOR

In his first year as head Athletic Director, Mr. Taylor showed that he knew athletics and that he was a regular fellow on the court.

CO-CAPTAIN BOBBY BELL

Sophomore center from Trion who led the team until an appendectomy forced him from completing the season. He proved to be the school's best athlete.

CO-CAPTAIN DICK GRACE

Sophomore forward from Decatur who, in his second year on the varsity squad, came second in individual scoring.

MERLIN GOSS

Freshman forward, hailing from Byron, proved to be valuable, being high-point man. Good material for next season.

DALTON SCOTT

Second quarter entree from Bowdon, proved one of the best guards in the Junior College loop. He was seldom out of the play and had the ability to make points, too.

EARL GRIFFIN

Freshman from Baxley. Earl was the fastest man on the court. His speed proved invaluable in court covering.

TOM LUCK

Frosh forward from Carrollton. Tom's height made him an excellent man on crip shots and for taking balls off the backboard.

BUDDIE BROWN

Sophomore guard from Eaton. Buddie came in at the second quarter and after starring in three games suffered a fractured ankle and was lost to the team for the remainder of the season.

O. E. SMITH, JR.

Freshman forward from Tallapoosa. Smitty was a level-headed player who was an ace with a one hand side-court shot.

ALLEN LONGINO

Freshman center from Woodbury. Allen's ability to scrap carried him through the year. He was always driving hard in the thick of it.

FULLER GORDON

Freshman forward from Sargent. "Little Tom" proved a valuable reserve. He was a good shot and should play regular next year.

GAY ROWE

Another Freshman from Carrollton. Gay was versatile, playing more than one position. A straight shooter and a clean player.

MANAGER COLE

In his second year as varsity manager, Cole was a driving force behind the team. He kept the spirit up and was the first to kick at a referee's decision.
